

University of Nebraska-Lincoln Extension Technical Experts for Drought Issues

Expertise	Name	Unit/Department	Email	Phone
Campus Faculty				
Cow/calf systems, alternative feeds	Rick Rasby	Animal Science	rrasby1@unl.edu	402-472-6477
Cattle finishing systems, alternative feeds	Galen Erickson	Animal Science	gerickson4@unl.edu	402-472-6402
Dairy systems, alternative feeds	Paul Kononoff	Animal Science	pkononoff2@unl.edu	402-472-6442
Farm Bill Policy	Brad Lubben	Agricultural Economics	blubben2@unl.edu	402-472-2235
Farm business management and drought implications	Roger Wilson	Agricultural Economics	rwilson6@unl.edu	402-472-1771
Groundwater quantity ; hydrogeologic mapping; aquifer testing and characterization	Dana Divine	School of Natural Resources	ddivine2@unl.edu	402-472-3288
Climate change/variability, climate data for agricultural decisions	Tapan Pathak	School of Natural Resources	tpathak2@unl.edu	402-472-1483
State Climatologist	Allen Dutcher	School of Natural Resources	adutcher1@unl.edu	402-472-5206
Mycotoxins	Heather Hallen-Adams	Food Science & Technology	hhallen-adams2@unl.edu	402-472-2825
Mycotoxins	Andreia Bianchini	Food Science & Technology	abianchini2@unl.edu	402-472-3114
Wildfires: range and forest	Scott Josiah	Nebraska Forest Service	sjosiah2@unl.edu	402-472-1467
Range, pasture and forage systems	Bruce Anderson	Agronomy	banderson1@unl.edu	402-472-6237
Mycotoxins; plant pathology in corn	Tamra Jackson	Plant Pathology	tjackson3@unl.edu	402-472-8756
Wheat Scab toxins	Stephen Wegulo	Plant Pathology	swegulo2@unl.edu	402-472-8735
Irrigation water management	Suat Irmak	Bio Systems Engineering	suat.irmak@unl.edu	402-472-4865
Irrigation water management	Simon VanDonk	Bio Systems Engineering	simon.vandonk@unl.edu	308-696-6709
Irrigation water management	Derrel Martin	Bio Systems Engineering	derrel.martin@unl.edu	402-472-1586
Rural drinking water supplies	Wayne Woldt	Bio Systems Engineering	wayne.woldt@unl.edu	402-472-8656
Ruminant animal health including mycotoxins and nitrate toxicosis	Michael Carlson	Veterinary Science	mcarlson3@unl.edu	402 472 8459
Ruminant animal health	Richard Randle	Veterinary Science	rrandle2@unl.edu	402-472-0446
Families and drought	Tonia Durden	Child Youth and Family Studies	tdurden2@unl.edu	402-472-9341
Family food budget / costs	Wanda Koszewski	Nutrition and Health Sciences	wkoszewski1@unl.edu	402-472-7966
West Central Nebraska Regional Team				
Team Facilitator	Don Adams	WCREC	don.adams@unl.edu	308-696-6700
Range, pasture and forage systems	Jerry Volesky	WCREC	jerry.volesky@unl.edu	308-696-6710
Cropping systems, cultural practices for water conservation	Bob Klein	WCREC	robert.klein@unl.edu	308-696-6705
Irrigation water management	Chuck Burr	WCREC	chuck.burr@unl.edu	308-696-6783
Water conservation in horticultural systems	Elizabeth Killinger	WCREC	elizabeth.killinger@unl.edu	308-385-5088
Farm business management and drought implications	Brian Strauch	WCREC	brian.strauch@unl.edu	308-345-3390
Farm business management and drought implications	Matt Stockton	WCREC	matt.stockton@unl.edu	308-696-6713
Cow/calf systems, alternative feeds	Aaron Stalker	WCREC	aaron.stalker@unl.edu	308-696-6707

Northeast Nebraska Regional Team				
Team Facilitator	Twig Marston	NEREC	twig@unl.edu	402-370-4001
Cropping systems, cultural practices for water conservation	Aaron Nygren	NEREC	anygren2@unl.edu	402-352-3821
Cow/calf systems, alternative feeds	Steve Niemeyer	NEREC	sniemeyer1@unl.edu	308-346-4200
Water conservation in horticultural systems	Kelly Feehan	NEREC	kfeehan2@unl.edu	402-563-4901
Farm business management and drought implications	Allan Vyhnalek	NEREC	avyhnalek@unl.edu	402-563-4901
Drought implications for cash rents, crop insurance, and cash flow	Tim Lemmons	NEREC	tlemmons2@unl.edu	402-370-4061
Irrigation water management	Bill Kranz	NEREC	wkranz1@unl.edu	402-584-3857
Youth and Drought	Amy Timmerman	NEREC	atimmerman2@unl.edu	402-336-2760
Families and Drought	LaDonna Werth	NEREC	ladonna.werth@unl.edu	402-336-2760
Families and Drought	Ruth Vonderohe	NEREC	rvonderohe2@unl.edu	402-288-5611

Panhandle of Nebraska Regional Team				
Team Facilitator	Linda Boeckner	PHREC	lboeckner1@unl.edu	308-632-1254
Cow/calf systems, alternative feeds	Karla Jenkins	PHREC	kjenkins2@unl.edu	308-632-1245
Cropping systems, cultural practices for water conservation	Gary Hergert	PHREC	ghergert1@unl.edu	308-632-1372
Water conservation in horticultural systems; Cropping systems, cultural practices for water conservation	Jim Schild	PHREC	jschild1@unl.edu	308-632-1480
Farm business management and drought implications	Jessica Johnson	PHREC	jjohnson@unl.edu	308-632-1247
Cow/calf systems, alternative feeds	Aaron Berger	PHREC	aberger2@unl.edu	308-235-3122

Southeast Nebraska Regional Team				
Team Facilitator	David Varner	SEREC	dave.varner@unl.edu	402-624-8022
Irrigation water management	Gary Zoubek	SEREC	gary.zoubek@unl.edu	402-362-5508
Water conservation in horticultural systems	John Fech	SEREC	jfech1@unl.edu	402-444-7804
Cow/calf systems, alternative feeds	Lindsay Chichester	SEREC	lindsay.chichester@unl.edu	402-245-4324
Cropping systems, cultural practices for water conservation	Jenny Rees	SEREC	jenny.rees@unl.edu	402-762-3644
Rural drinking water supplies	Sharon Skipton	SEREC	sharon.skipton@unl.edu	402-472-3662
Water conservation in horticultural systems	Sarah Browning	SEREC	sbrowning2@unl.edu	402-441-7180

Additional Resources				
State Drought Team Facilitator	Rick Koelsch	Extension Administration	rkoelsch1@unl.edu	402-472-2966
National Drought Mitigation Center	Brian Fuchs	School of Natural Resources	bfuchs2@unl.edu	402-472-6775
National Drought Mitigation Center	Mike Hayes	School of Natural Resources	mhayes2@unl.edu	402-472-4271
National Drought Mitigation Center	Mark Svoboda	School of Natural Resources	msvoboda2@unl.edu	402-472-8238
